

# SETTING UP YOUR SWIMBABES ACCOUNT ON SOAKLY

Hi

We've got something new and shiny to show you...  
Welcome to your new my Swimbabes online account!

It's packed with loads of features that will allow you to easily track swimmer skills and view all the swimmer awards and badges.

By completing the sign up process, you will be able to view information about your bookings, see upcoming payments and update your account information

To get started, just click the button below to be taken to sign in page, where you will enter and confirm a password to access your new account.

Once your initial booking and payment is received you will receive an email via Soakly 'Sign in to your Swimbabes account'.

This email will give you access to create an online portal for your little swimmer. The portal is required for our continual swim programme you have booked on to.

Once you follow the sign in now link, you will need to use the same email address and create a password to sign in. Once you have set up your portal here you can find information on your child's next and upcoming lessons, their achieved awards, skill tracker and a log of your payment records.

The screenshot shows an email interface with a header image of a swimming pool. Below the image is a circular profile picture of a person with a yellow background. The text is as follows:
